It was definitely stated on the street this morning that Honolulu Prewing & Malting Company would pay an extra dividend of 2 per cent on December 15. That the brewery stock is offered at 22, or an advance of only one-quarter point over yesterday's apotation, in spite of the assured extra, is attributed to the menfor Hawaii in Congress.

Hawaiian Commercial fell off a point since yesterday, sales of 50 and 10 shares at 22 being reported and a sale of 10 shares taking place on the Members Honolulu Stock and Bond board at 21.75. This was the sole transaction of the session. In recess Oahu was steady at 10.25 for 15 thares, Pineapple sold up a quarter point to 34.50 for 10 shares and Oahu Railway fives were unchanged at 97.50 for \$3000 and \$1000.
